

T5 Circline Plus

Circular fluorescent lamp

T5 Circline Plus is a range of ring shaped fluorescent lamp suitable for flat, circular or square shaped fixtures.

Smaller tube diameter, higher lumen efficiency and longer lamp life make it an ideal lamp for decoration and general illumination in offices, hotel and domestic use.

T5 Circline Plus

Circular fluorescent lamp

FEATURES

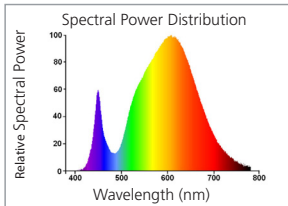

- Circular single-cap fluorescent lamp with 16mm bulb diameter
- 2GX13 base
